

# Dietary Supplement

IP6 Gold represents the gold standard for the purest and most potent IP6 & Inositol supplements available.

After years of research, the precise ratio blend of IP6 to Inositol was patented by pathologist Dr. A.K.M. Shamsuddin MD, PhD. at the University of Maryland. Both IP6 and Inositol are found in every body cell and work synergistically to support the healthy function of many cellular activities.\*

IP6 Gold is truly a multi-action formula that is recognized as a potent antioxidant, provides comprehensive immune support\*, promotes a healthy cardiovascular system\*, helps maintain normal glucose metabolism\*, supports healthy renal function\* and more. IP6 Gold, extracted from rice bran, contains naturally occurring plant-based minerals: calcium, phosphorus and magnesium that are easily absorbed and contribute to healthy bones and teeth. As a result, IP6 Gold is recommended by professionals worldwide.

Make IP6 Gold part of your daily program for optimal health and wellness!\*
