

IP6 Gold represents a new standard for the purest IP6 and Inositol product available.

Developed over the last 20 years through scientific research by Dr. Shamsuddin M.D., Ph.D., the combination of compounds produced from rice bran, Inositol and its derivative Inositol Hexaphosphate (IP6), work synergistically to support the immune system by boosting natural killer cell activity and maintaining DNA integrity.*

Recognized as a potent antioxidant, research indicates IP6 Gold supports healthy renal function*, promotes heart health*, and helps maintain normal glucose metabolism.* IP6 Gold is a rich source of calcium, phosphorus, and magnesium that supports and maintains strong, healthy bones.*

Make IP6 Gold part of your daily program for optimal health and wellness.*

- 100% Vegan
- Excellent Source of Key Minerals
